

## RFQ/P 612 Construction Management Services

### ADDENDUM #2

Dated: February 7, 2020

*All interested parties seeking to submit responses to the Oxnard Union High School District's RFQ/P #612 shall execute the certification at the end of this addendum and shall attach the addendum to the documents submitted to the District.*

---

The Oxnard Union High School District hereby amends **RFQ/P 612 Construction Management Services**, as follows:

(1) We have received push back on the minimum experience requirements. So, please consider the minimum experience requirements to be "experience target goals" for the construction management firm OUHSD intends to select to supervise the construction of the new Del Sol High School and NOT "minimum experience requirements."

(2) Construction Management firms that do not meet the "experience target goals" are still encouraged to apply because they may be considered for Measure A Bond projects other than the new Del Sol High School.

(3) In no particular order, OUHSD is considering all of the following three Project Delivery Methods for the construction of the new Del Sol High School, but OUHSD is in no way limited to these three Project Delivery Methods: (a) Lease-Leaseback, (b) Construction Manager/Multi-Prime and (c) General Contractor. Consequently, your response to our request for "experience target goals" may include ANY or all three of the above listed Project Delivery Methods and NOT just Lease-Leaseback.

(4) OUHSD considers these Addenda One and Two sufficient to answer all Requests for Information to date and we do not expect to issue another Addendum unless a significant concern arises between now and the **deadline for providing a RESPONSE to this RFQ/P which remains NOON on Friday, February 14, 2020.**

Best wishes to all participating in this RFQ/P process. **Please remember to deliver your RFQ/P responses to Deanna Rantz, OUHSD Purchasing Director in a timely manner.**

---
