Attn: Estimating Department

RFI Description

Hello,

Can you please provide clarification or details on this section on drawing TA4.0 ENLARGED RESTROOM PARTITION PLAN & REFLECTED CLG. PLAN. I am not able to find a detail for this area. Please see red arrows.

Thank you!

these are called "cut lines". it is a standard architectural drawing method to not draw an entire pattern for ease of clarity and for less drawing. the tile patterns colored green and blue are continuous.

ATTACHMENTS:

Thank you,
